

MACHINERY-Terms/Conditions Motors/Engines, Powerheads, Upper/Lower Units

-*-*- SPECIAL NOTATION / INSTRUCTION *-*-

All FLUIDS must be Properly Refilled, using Fluids as recommended by manufacturer
WARRANTY DOES NOT COVER: Detonation, Overheat, Oil Starvation Damages

X ☐ **ALL MECHANICAL MACHINERY, such as Motors, PowerHeads, Transmissions, Upper & Lower Units, are shipped dry.** All Fluids (including oils) must be refilled. Customer is **SOLELY RESPONSIBLE FOR** Damages caused by using Incorrect Fluids and/or Fluid Proportions to include Oil Starvation Damage, Overheating Damage, Combustion Chamber Detonation Damage

X ☐ **FREIGHT FORWARDER:**

If, and when, shipments are delivered to a 3rd party, also referred to as Freight Forwarder:
It is the responsibility for that party to inspect the shipment for any visible signs of possible damages before signing to release the shipment into their custody. Once the item is accepted, per carrier records, ShipWreckSalvage.net and/or GLADYS DUPUY are release from any claims of THEFT or LOSS

X ☐ **ADDITIONAL FREIGHT DELIVERY CHARGES: RESIDENTIAL, LIFT GATE, BY APPOINTMENT, ECT...**

Customers are responsible for any/all additional Freight charges incurred for failed delivery attempts that occur within the parameters of delivery schedule as provided.

Customer is Responsible to provide the means to unload freight Such as: loading dock, a forklift

BE AWARE: Delivery is to the CURB ONLY. Customers are responsible for the additional Add On costs as mentioned.
